

CHAIR SPONSORSHIP

What is a Chair Sponsor?

If you review the roster of musicians in many programs, you will notice that some names are followed by the italicized name of a "Chair Sponsor". Technically, the sponsorship is not for the musician but for his or her "chair," or position in the orchestra. This is one of the benefits the Massapequa Philharmonic is offering to recognize the special generosity of our donors.

As a Chair Sponsor, you have the opportunity to name your chair however you choose. Sponsorship is an excellent opportunity to recognize a special person, place or event and is a fitting tribute to a music lover or musician. Chair sponsorships start at \$500 and are renewable annually.

\$500 donor can choose any chair in the orchestra,
\$750 donors can choose a principal chair

Donors are invited to indicate the section chair of their choice.

\$1000 donors can sponsor the podium
\$2500 donors can sponsor the concert

Live concerts are a partnership between players and listeners, an hour or two where both give the music their all. Sponsorship can provide a special connection between musical partners and serve the essential purpose of providing much needed support for the Symphony, its musicians and its community services. Along with Membership, Sponsorships give you the satisfaction of knowing you play a vital role in creating quality performances, concert after concert.
